# The Wedding Rings Quilt Block Pattern

You need 3 fabrics ranging from light to dark.

Use the chart to determine what size to cut your patchwork pieces. (For a 10" block, use the measurements in the highlighted column.) When only one measurement is given in the chart, that indicates that the piece is cut as a square of that size. The chart may also indicate that some of your squares may need to be subcut:

= Subcut once on the diagonal

= Subcut twice on the diagonal

Sew all pieces together using a 1/4" seam and a 2.0mm stitch. Your unfinished block should measure 1/2" more than your finished size. (i.e. For a 10" finished block, your block should measure 10.5")

## Cutting Chart:

Pieces	Subcut?	FINISHED SIZE				
		5"	10"	12"	15"	20"
Cut 5	No	1 1/2"	2 1/2"	2 7/8"	3 1/2"	4 1/2"
Cut 4	No	1 1/2"	2 1/2"	2 7/8"	3 1/2"	4 1/2"
Cut 4		1 7/8"	2 7/8"	3 1/3"	3 7/8"	4 7/8"
Cut 4		1 7/8"	2 7/8"	3 1/3"	3 7/8"	4 7/8"
Cut 8		1 7/8"	2 7/8"	3 1/3"	3 7/8"	4 7/8"

## Block Assembly:

Arrange your patches as shown in the exploded diagram. Pay careful attention to color placement of the individual patches

First sew all HST (Half Square Triangle) units together to make squares. Press each HST to the dark side. Then sew all units in each row together.

Finally, sew together all the rows.
