The Love In A Mist Quilt Block Pattern

As pictured, you need 2 contrasting fabrics.

Use the chart below to determine what size to cut your patchwork pieces. For example, if you want a 15" block, you would use the measurements given in the highlighted column below. The chart may also indicate that some of your squares may need to be subcut either once or twice on the diagonal.

Abbreviations used:

HST - Half Square Triangle

SNS - Square in a Square unit

Cutting Chart:

Patch Shape		Subcut?	FINISHED SIZE						
			6"	8"	9"	10"	12"	15"	18"
Cut 1 (Center Square)		No	2 1/2"	3 1/8"	3 1/2"	3 7/8"	4 1/2"	5 1/2"	6 1/2"
Cut 4 (Outer corners)		No	1 1/2"	1 7/8"	2"	2 3/16"	2 1/2"	3"	3 1/2"
Cut 4 (Light HSTs)			1 7/8"	2 1/4"	2 3/8"	2 1/2"	2 7/8"	3 3/8"	3 7/8"
Cut 4 (SNS Corners)		No	1 1/2"	1 7/8"	2"	2 3/16"	2 1/2"	3"	3 1/2"
Cut 4 (Dark squares)		No	1 1/2"	1 7/8"	2"	2 3/16"	2 1/2"	3"	3 1/2"
Cut 4 (Dark HSTs)			1 7/8"	2 1/4"	2 3/8"	2 1/2"	2 7/8"	3 3/8"	3 7/8"
Cut 4 (SNS Base)		No	2 1/2"	3 1/8"	3 1/2"	3 7/8"	4 1/2"	5 1/2"	6 1/2"

Note: the 8" and 10" cutting sizes require rounding to the nearest eighth and sixteenth

Block Assembly:

NOTE: For all seams, use a scant 1/4" seam and a 2.0 mm stitch length.

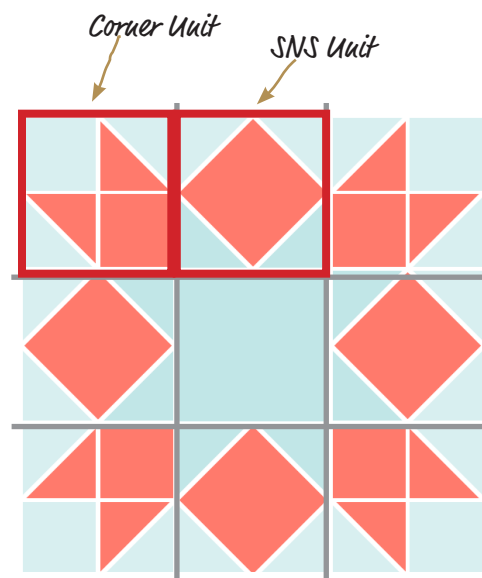

Arrange your patches as shown in the diagram at right. Take note of how the gray lines indicate a 9-patch construction. In this particular block, there is a central square that is flanked by SNS units on each side.

First sew all HST (Half Square Triangle) units together to make squares. Press each HST to the dark side. Then sew the HST's with the squares needed to make each corner unit.

Next, make your four SNS units, using the Quick Corner Method. (See below for more information.)

Finally, assemble in typical 9-patch fashion.

Your unfinished block should measure 1/2" more than your finished size. (i.e. For a 15" finished block, your block should measure 15.5")

The Quick Corner Method for making Square-in-a-Square (SNS) Units

This pattern uses the Quick Corner Method for making SNS units. If you are not familiar with this technique, there is a quick tutorial on my website at the following link:
