# The Steps to the Altar Quilt Block Pattern

You need 8 fabrics ranging from light to dark.

Use the chart to determine what size to cut your patchwork pieces. (For a 6" block, use the measurements in the highlighted column.) When only one measurement is given in the chart, that indicates that the piece is cut as a square of that size. The chart may also indicate that some of your squares may need to be subcut:

= Subcut once on the diagonal

= Subcut twice on the diagonal

Sew all pieces together using a 1/4" seam and a 2.0mm stitch. Your unfinished block should measure 1/2" more than your finished size. (i.e. For a 6" finished block, your block should measure 6.5")
