# Dakota Gold Quilt Block Pattern

You will need 5 fabrics ranging from very light to very dark.

Use the chart to determine what size to cut your patchwork pieces. (For a 10" block, use the measurements in the highlighted column.) When only one measurement is given in the chart, that indicates that the piece is cut as a square of that size. The chart may also indicate that some of your squares may need to be subcut:

Sew all pieces together using a 1/4" seam and a 2.0mm stitch. Your unfinished block should measure 1/2" more than your finished size. (i.e. For a 10" finished block, your block should measure 10.5")

## Cutting Chart:

Patch Shape	Subcut?	FINISHED SIZE			
		5"	10"	12"	15"
Cut 4	No	1 1/2"	2 1/2"	2 7/8"	3 1/2"
Cut 4		1 7/8"	2 7/8"	3 1/3"	3 7/8"
Cut 4		1 7/8"	2 7/8"	3 1/3"	3 7/8"
Cut 4		1 7/8"	2 7/8"	3 1/3"	3 7/8"
Cut 1	No	5 1/2"	10 1/2"	12 1/2"	15 1/2"
Cut 2	No	1 1/2" x 2 1/2"	2 1/2" x 4 1/2"	2 7/8" x 5 1/3"	3 1/2" x 6 1/2"

## Block Construction:

Arrange your patches as shown in the exploded diagram.

First sew all HST (Half Square Triangle) units together to make squares. Then sew together three HST units plus a light square to make a corner unit. (Make 4)

Continue to assemble the remaining pieces as if the block were a 9-patch.
