The Square Red Cross Quilt Block Pattern

You will need a light and a dark fabric.

Use the chart to determine what size to cut your patchwork pieces. (For a 10" block, use the measurements in the highlighted column.) When only one measurement is given in the chart, that indicates that the piece is cut as a square of that size. The chart may also indicate that some of your squares may need to be subcut:

= Subcut once on the diagonal

= Subcut twice on the diagonal

Sew all pieces together using a 1/4" seam and a 2.0mm stitch. Your unfinished block should measure 1/2" more than your finished size. (i.e. For a 10" finished block, your block should measure 10.5")

Cutting Chart:

Pieces	Subcut?	FINISHED SIZE			
		5"	10"	15"	20"
A Cut 4	No	1 1/2"	2 1/2"	3 1/2"	4 1/2"
B Cut 6	No	1 1/2"	2 1/2"	3 1/2"	4 1/2"
C Cut 4	No	1 1/2" x 3 1/2"	2 1/2" x 6 1/2"	3 1/2" x 9 1/2"	4 1/2" x 12 1/2"
D Cut 1	No	1 1/2" x 3 1/2"	2 1/2" x 6 1/2"	3 1/2" x 9 1/2"	4 1/2" x 12 1/2"

Block Construction:

Arrange your patches as shown in the exploded diagram. This block is a 9-patch within a 9-patch.

First, make two ABA units. These will be the top and bottom rows in the center 9-patch. Use these two rows along with piece D to make the center 9-patch.

Sew a piece C to each side of the center 9-patch to form the center row.

Next, make two BCB units. Sew one to the top of the center row and sew one to the bottom.
